

Powell Valley Electric Cooperative By the Numbers

MEMBER OWNED

PVEC is an electric cooperative, which is a private business owned by the members it serves. Directors are elected to represent the members' interests within the co-op.

NOT FOR PROFIT

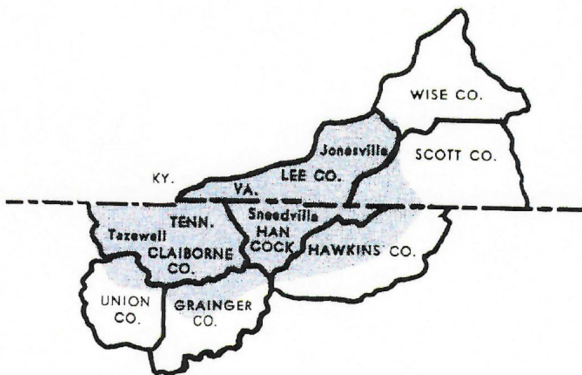

Because PVEC is member-owned, our focus is serving the community. It is our mission to reinvest excess revenues into the electric grid to keep rates low and affordable.

COMMUNITY FOCUSED

PVEC strives to empower the community by offering safe, reliable and affordable energy. Additionally, PVEC invests in broadband, education, and community outreach.
